NIHAO STUDY

**LETTER OF RECOMMENDATION**

Date: November 3, 2026

Subject: Letter of Recommendation for Kirill Sotnikov – Software Developer

To Whom It May Concern,

I, Oksana Mun, Director of the "Nihao Study" Educational Center in Almaty, hereby confirm that Kirill Sotnikov collaborated with our educational center as a software developer, providing valuable technical support in the development and implementation of our digital solutions. During our cooperation, Kirill demonstrated a high level of professionalism, technical competence, responsibility, and efficiency. He played an important role in helping us develop and configure our GetCourse-based educational platform, which enabled us to organize the learning process, manage educational materials, and improve communication with students. In addition, Kirill successfully developed and launched our educational center's website within a short period of time. He demonstrated the ability to quickly understand our requirements, find effective technical solutions, and complete assigned tasks within tight deadlines. Throughout our cooperation, Kirill proved himself to be a proactive, reliable, and technically skilled specialist. His ability to work independently, solve technical challenges, and deliver practical results made a significant contribution to the development of our educational center. I highly recommend Kirill Sotnikov as a talented and dedicated software developer. I am confident that his technical skills, initiative, and commitment to professional excellence will make him a valuable asset to any academic or professional organization.

Respectfully,

Oksana Mun
